Objective:
To provide a mechanism for students who wish to temporarily transfer from any other Indiana University Campus to the BSN Program on the Core Campus.

Policy:
1. Student must meet with and receive a letter that supports the transfer from the Nursing Dean or Director on the campus that they are transferring from. This letter must be sent directly from the Nursing Dean/Director to the Chair of the APG Committee.
2. Student must also notify the Academic Advisor on the campus they are transferring from regarding their intent to transfer temporarily.
3. Student will submit a written request for a temporary transfer along with the letter of support from the Nursing Dean or Director to the Chair of the APG Committee.
4. Students should be aware that transfers are awarded on a space-available basis only.
5. Students may not request a temporary transfer if they have ever been dismissed from a nursing program.
6. Students who transfer will hold out of sequence status for registration.
7. Requests for a temporary transfer beginning in the spring semester must be received by September 15 and will be reviewed at the October APG meeting.
8. Requests for a temporary transfer beginning in the fall semester must be received by March 15 and will be reviewed at the May APG meeting.
9. Requests for a temporary transfer beginning in the summer semester must be received by March 15 and will be reviewed at the May APG meeting.
10. In case of more requests than seats available, priority will be given based on nursing GPA.
