Item B: Change in GPA requirement for admission to Honors Program (9/21/2012)

Raise the minimum GPA for new student admission to the Honors program from 3.0 to 3.5. Several of us think the 3.0 was supposed to be changed, but was accidentally left intact.

Students who have completed a rigorous program of study in secondary school (Core 40 in Indiana), maintained a high school GPA of 3.00 3.50 (on a 4.0 scale) or better, and have an ACT composite score of 28 or an SAT critical reading and math combined score of 1250 or higher are automatically offered admission to the IUPUC Honors Program. Also, IUPUC students who did not meet these requirements upon admittance to IUPUC but who have earned a GPA of 3.5 or better in their first 24 credits of non-remedial courses are also eligible for the admission to the IUPUC Honors Program.
